

MY KINGDOM

***I had a nightmare, I had a vision.
My entire kingdom was destroyed.
I was alone in the middle of nothing.
Emptiness was my only friend.***

*I lost everything, I had nothing.
I could not find my daughters.
Only savage winds, powerful rain,
Dark thunder, and silence, silence.*

***I had a nightmare, I had a vision.
My entire kingdom was destroyed.
I was alone in the middle of nothing.
Emptiness was my only friend.***
