

I WILL EAT YOU

SHARKY:

*I will eat you!
You cannot run away!
You cannot run away!
There is nothing you can do!*

SARAH & CHLOE:

***We are not afraid,
Oliver will save us.
We are not afraid,
Oliver will save us.***

OLIVER:

*I will defend
Both of my friends.
You have no chance,
I won't let you advance.*

SHARKY:

*You do not scare me,
You, eight-armed fish,
Because you too,
Will be part of my dish.*

SARAH & CHLOE:

***We are not afraid,
Oliver will save us.
We are not afraid,
Oliver will save us.***

OLIVER:

*Why don't you go?
Eat somewhere else.
Don't bother us,
Go somewhere else.*

SHARKY:

*Don't get in the way
Between me and my prey.
I'm so hungry
The three of you I will eat.*

SARAH & CHLOE:

***We are not afraid,
Oliver will save us.
We are not afraid,
Oliver will save us.***
