

THANK YOU

SHARKY:

*I'm sorry I tried to eat you
I'm sorry I scared you.
Thank you for helping me
Thank you for saving me, too.*

ALL:

***We are so happy,
Everything is fine again,
After all this confusion
We've made a new friend.***

OLIVER:

*Now you can help us,
To clean our home.
When the people dump
All their rubbish down below.*

ALL:

***We are so happy,
Everything is fine again,
After all this confusion
We've made a new friend.***

CHLOE:

*I'm glad you don't want to eat us
We can now work as a team.
I'm glad we're all friends.
Together this ocean we'll clean!*

ALL:

***We are so happy,
Everything is fine again,
After all this confusion
We've made a new friend.***

SARAH:

*If we think together
We'll come up with a plan
To stop all this pollution
I know that we can.*

ALL:

***We are so happy,
Everything is fine again,
After all this confusion
We've made a new friend.***
