

3 LOVE SONG

OTTO:

*Oh, Aldana! My dearest Aldana!
Once again I'm all alone
No one to turn to, nowhere to go.
I don't know why she doesn't love me.
There is nothing else that I can do.
Now the night, the night has come
And my heart, my heart is feeling numb.*

MARTHA:

*Don't worry, chief. Don't feel bad.
Aldana doesn't deserve you.
Cheer up, and be glad
You're the best master I've ever had.*

*Love can turn your life around
No matter what they say.
If she's not the right one, just wait.
True love is on its way.*

OTTO:

*Is it because I am old?
Was my attitude ever cold?*

MARTHA:

*Sir, don't worry about that.
You're a zombie after all!*

OTTO:

Is it because I am ugly?

MARTHA:

More handsome, you cannot be.

OTTO:

Perhaps not, not evil enough?

MARTHA:

You're perfect, can't you see?

OTTO & MARTHA:

*Love can turn your life around
No matter what they say.
If she's not the right one, just wait,
True love is on its way.*

OTTO

Yes it is. It's on its way!

MARTHA

If she's not the right one, just wait!

OTTO & MARTHA:

True love is on its way.
