

## 5 THE TEAM

**VERNE:**

*If I said we are a great team,  
Would you agree with me?  
I feel I've known you for years.  
Do you believe me?  
Do you believe me?*

**ALDANA:**

*I feel the same; it's like a dream.  
Is this really happening to me?  
I wish this lasted forever  
Will you share your life with me?*

**BOTH:**

*I have always felt lonely,  
Now you've changed that for good.  
A great companion I've got  
Have you truly understood?*

**BOTH:**

*There are secrets to reveal,  
A whole world we can explore.  
I'm so grateful to be here,  
I'm so grateful...  
I couldn't have.... I couldn't  
have asked for more,  
Asked for more.*
