

6 THE END

OTTO:

*The Earth is shaking now,
We should escape from this place.*

ALDANA:

*Let's leave the manuscript here,
And try to protect ourselves.*

VERNE:

*If at every instant we may perish,
Remember we can also be saved.*

MARTHA:

*Why can't we stay down here?
In the centre of the Earth?*

ALL:

*Because we are not zombies!
Zombies!*

We don't move our hands like zombies!

OTTO:

We don't shake our bodies like zombies!

ALDANA!

Like zombies!

VERNE

Like zombies!

MARTHA

Like zombies!

ALL

*Because we are not zombies!
Let's go...!*
