### F. LISTEN & PUT IN ORDER

Every day Chloe the fish wakes up very early. Her friends Sarah the seahorse and Oliver the Octopus help her to collect all the rubbish people dump in the sea. One day a shark appears and scares Chloe and Sarah. Fortunately, Oliver the Octopus protects his friends. Oliver has one idea: he will try to hypnotise Sharky into becoming a vegetarian. But this doesn't work out. Finally, Sharky the shark becomes their friend and starts helping them to clean the ocean.
